Chemicals Excellence , Trusted Supply

About Us

Methaq Group is a prominent chemicals International trading company specializing in the global sourcing and distribution of industrial and specialty chemicals.

Methaq Group involved in biggest markets and hub supply in Egypt and UAE and has expertise and professionals team achieving our customer satisfaction.

With a strong supplier network, Methaq Group ensures competitive pricing, and reliable availability, The company adheres to international regulatory standards, providing safe and efficient logistics for chemical transportation

Methaq Group plays a vital role in connecting manufacturers with businesses across sectors like Pharmaceuticals, Food and feed and Industrial as well as its expertise in market trends and strategic sourcing helps clients optimize their supply chains effectively.

MISSION

Is to grow in Chemical's distribution and building a strong business relationship between our Partners by applying the highest international standards cross all functions to work as ONE Company, ONE Team.

OUR VALUES

- Customer Focus
- Quality
- Trust
- Development
- Excellence
- Safety

VISION

Always focused to source from top manufactures and trading, providing the highest quality to developing the relationships with our channels. and empowering our partners within networks to shape the future of the industry

SERVING INDUSTRIES

Adhesives & Sealants

Constructions Chemicals

Leather & Textiles

Paints & Inks

Paper & Detergents

Products

SOLVENT / ALCOHOLS

2-Ethyl Hexanol
Acetone
Benzyl Alcohol
Butyl Acetate
Cyclohexanone (CYC)
Diacetone Alcohol
Dimethyl Carbonate (DMC)
Ethyl 3-Ethoxypropionate (EEP)
Ethyl Acetate
Isobutyl Alcohol
Isopropyl Acetate
Isopropyl Alcohol (IPA)
Methanol
Methyl Acetate

Methyl Ethyl Ketone (MEK)
Methylcyclohexane (MCH)
Methylcyclohexane (MCH)
N-Butanol
N-Butyl Acetate (N. BUTAC)
N-Methyl Pyrrolidone (NMP)
N-Propanol (NPA)
N-Propyl acetate
Polyvinyl Alcohol
Propylene Carbonate (PC)
Sec-butyl Acetate

HYDROCARBONS

Cyclohexane
D30 / D40 / D60 / D70 / D80
N-Heptane
N-Hexane
Solvent Naphtha 100/150/200
White Spirit

GLYCOLS

Butyl Diglycol
Butyl Glycol
Diethylene Glycol (DEG)
Dipropylene Glycol (DPG)
Monoethylene Glycol (MEG)
Monopropylene Glycol (MPG)

Products

MONOMERS

- 2-Ethyl Hexyl Acrylate
- 2-Hydroxy-Ethyl Acrylate (2-HEA)
- 2-Hydroxy-Ethyl Methyl Acrylate (2-HEMA)
- 2-Hydroxy-Propyl Acrylate (2-HPA)
- 2-Hydroxy-Propyl Methacrylate (2-HPMA)
- Acrylic Acid
- Butyl Acrylate
- Ethyl Acrylate
- ISOButylMethAcrylate (i-BMA)
- Methyl Acrylate (MA)
- Methyl Methacrylate (MMA)
- Styrene Monomer
- Vinyl Acetate Monomer (VAM)

AMINES

- Diethanolamine
- Monoethanolamine
- Triethanolamine

CELLULOSE ETHERS

- Carboxy Methyl Cellulose (CMC)
- Hydroxy Ethy Cellulose (HEC)
- Hydroxy Ethyl Methyl Cellulose (HEMC)
- Hydroxy Propyl Methyl Cellulose (HPMC)
- Methyl Cellulose (MC)

Products

PLASTIZER

- Chlorinated Paraffin
- Diethyl Phthalate (DBP)
- Diisobutyl Phthalate
- Diisononyl Phthalate
- Diocyl Adipate
- Diocyl Phthalate (DOP)
- Diocyl Terephthalate

ANHYDRIDE

- Maleic Anhydride (MA)
- Phthalic Anhydride (PA)

ACIDS

- Acetic Acid
- Citric Acid
- Formic Acid
- Phosphoric Acid

OTHER CHEMICALS

- Ammonium Persulfates
- Dicyandiamide
- Hydroxy Propyl Methyl Cellulose (HPMC)
- Methyl Cellulose (MC)
- Polycarboxylate (PCE)
- Potassium Persulfates

OTHER CHEMICALS

- SNF
- Sodium Gluconate
- Sodium Metabisulfide
- Titanium Dioxide
- Triisobutyl Phosphates (TIBP)

AROMATICS

- Toluene
- Xylene
